Actual Weight					

Comments _____

RULES:

1. Weight includes driver. No weight changes after weigh-in completed.
2. Contestants under 18 must have written consent of parents.
3. Maximum hitch height - 24" (To be measured at height rigid point, not from Clevises, etc.)
4. No hooking on hitch balls.
5. All trucks with open exhaust must have rear drive shaft loops (front optional)
6. All hot-rodders will be disqualified and not be allowed any more hooks in the competition. For safety reason, after unhooking from sled, drivers must behave in a safe manner.
7. No blowers allowed.
8. Any parts dropped on track during hook up disqualifies that pull.
9. Use of helmets is recommended.

This is to certify that I/we _____ understand and agree to the above rules and agree to absolve the Stanley Agriculture Society from all or any liabilities during my/our participation in and during the S.A.S. Truck Pull.

It is understood that all participants enter at their own risk.
